

# Mackenzey Thunem

Dependable and compassionate student nurse seeking to gain hands-on experience in direct patient care as a summer intern ideally on a surgical or critical care floor. Skilled in patient-centered care, performing physical and functional assessments, assisting with care planning, balancing the art and science of nursing, and educating patients. On track to graduate with a Bachelor of Science in nursing in the year 2020.

## Clinical Experience

### Abbot Northwestern Clinical Experience - Nursing Student

Minneapolis, MN  
Sep 2018 - Nov 2018

- Completed a six week rotation on H5000, a cardiac telemetry floor. During these weeks I took care of patients that had aortic stenosis, bicuspid aortic valves replaced, Turner syndrome, coronary artery bypass grafts placed, and various other conditions.
